President's Lawn Honors Social

Wow! Dozens of Honors members, professors, President Don Killingsworth, Provost Christie Shelton, and more all had a great time at the President's Lawn Honors Social. We gave away 17 raffle items, played fun games, ate good food, enjoyed Kona Ice, and bonded. We hope this becomes a great annual event!

Honors Program

Newest Staff Member: Andy Green

Born in Anniston, raised in Piedmont, and now residing in Jacksonville, Calhoun County has served as home for Andy his entire life. After graduating from Piedmont High School in 2001 he attended Jacksonville State University (JSU) where he completed a Bachelor of Science in geography (2005) and a Master of Public Administration (2008). Since coming to JSU after high school, Andy has worked here either as a student worker or a full-time staff member. As a student, Andy was an Ambassador, Orientation Leader, and served on the SGA Executive Council. His first full-time job after graduation was in the Admissions Office as an admissions counselor traveling the region recruiting students. He has led four departments as a director and as of April 2022, he serves as the Assistant Dean of Operations in Honors and Special Programs.

Outside of JSU, Andy is the duly elected person to Place 1 of the Jacksonville City Council and is also on many local non-profit boards including United Way of East Central Alabama, Court Appointed Special Advocates, and HOPE Women's Services. He volunteers to coach his son's baseball team and serves in his church. His wife Brandie and their two children, Jackson (8) and Charlotte (2) can often be found taking walks on campus and attending JSU Baseball games.

Southern Regional Honors Conference 2022

Five Honors students represented JSU at SRHC 2022! We are so proud of their presentations to represent JSU at this prestigious annual conference. Their futures are bright!

Congratulate Our Spring 2022 Grads!

Through countless hours of study and dedicated hard work, these students are graduating from JSU. That is already a great accomplishment, but these students are Honors Program graduates! They are the best of the best, and we wish them well as they begin careers or continue their education.
