What are Tax Tracks?

At Jax State, we want to help you find the right path to your dream job. That path starts with our Dual Enrollment program where you can take college classes that lead you to the perfect major and career.

We know that figuring out a major is hard, so we developed five Jax Tracks to let you choose a more general grouping of careers and college majors. Choosing a Jax Track is the first step in figuring out your major.

We also know that high school and college is a time of exploration, when classes, instructors, and even clubs and extracurriculars can help you decide what you want to become. Therefore, it's never too late to change your Jax Track! Jax State's Dual Enrollment team will help you navigate your way to the right path for your dream job.
