#### Entry Detail

Name: **Intellectuals Anonymous (IA) - Student Support Group**

Description: We invite you to join IA! Intellectuals Anonymous (IA) is a support group for students registered with Disability Resources who are seeking an inclusive, supportive, and fun group environment. Throughout the semester, I.A. discusses a variety of topics, participates in various activities, and hosts speakers/presenters- all chosen by interest of the group members. Snacks are usually involved. I.A. members describe the group as a 'safe haven' and a great place to be yourself.

The I.A. Group began in 2013, when four students diagnosed on the Autism Spectrum were seeking a place of support. Throughout the years, this group has grown and continues to be a valuable resource for support, interaction, and fun for all students seeking this type of environment.

To learn more about the group, contact Lynne Hollingsworth at [rhollingsworth@jsu.edu](mailto:rhollingsworth@jsu.edu) or 256-782-8397.
