## Be a responsible Gamecock

- Don't wash a single item of clothing - wash full loads
- Save your soap! Use only 2 tablespoons of  detergent
- Use the cold water setting to save energy and help the environment
- Clean the dryer lint filter before/after each load
- Be kind to your fellow Gamecocks - remove your clothes promptly so others can use the machines
- Report machine malfunctions directly to Mac-Gray at 1-800-MAC-GRAY (622-4729) or with LaundryView, directly from your smartphone.
